

# StyleCam Deluxe

Digital Camera & Digital Video Camera

It's Fun to Record  
Digital Video

## Features:

- 1.3 Mega Pixel resolution for high quality pictures
- Record digital video with the 60-second movie mode
- Built-in microphone allows you to record audio by itself or with your digital video
- Video conferencing camera and PC camera
- 16MB internal memory can save up to 144 photos
- Take pictures indoors or outdoors with the built-in flash
- Value packed software provides user-friendly tools for photo & video editing

The feature packed SiPix StyleCam Deluxe is a digital camera, digital video camera, PC camera, video conferencing camera and digital audio recorder all in one. It provides 1.3 Mega Pixel resolution to capture high quality pictures. The StyleCam Deluxe includes 16MB of internal memory and can store up to 144 digital still pictures.

Use the StyleCam Deluxe as a digital video camera. Record digital video and digital audio at the same time with just a push of a button. With the StyleCam Deluxe, making a home movie is easy and fun! User-friendly software guides you step by step through editing video files, making it a snap to create your own movies. With the StyleCam Deluxe and NetMeeting\* you can also stream live video over the Internet. Connect the StyleCam Deluxe to your computer with the supplied USB cable and it becomes a video conferencing camera.

The voice annotation function makes the StyleCam Deluxe ideal for capturing narrations, interviews and meetings. Record your own voice then email the voice recording to a friend, or add voice to digital photo albums. The StyleCam Deluxe provides enough capacity to record up to 50 minutes of audio.

### Premium Software

The StyleCam Deluxe includes a premium software package that makes photo editing, enhancing, and sharing fun. Take the images into ArcSoft PhotoImpression to retouch, add special effects, and make calendars, greeting cards and more. It's easy to produce and edit video clips with ArcSoft VideoImpression.

## Feature Packed Digital Camera and Digital Video Camera

The feature packed SiPix StyleCam Deluxe is a digital camera, digital video camcorder, PC camera, video conferencing camera and digital audio recorder all in one. Perfect for taking pictures or recording digital video anytime, anywhere. Capture and share the fun with the StyleCam Deluxe.
